Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)

BLIND CHESS (PAPERBACK)

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Since I can't see the board at all nor handle the pieces with specificity, speaking my moves seems the only viable and acceptable alternative. In recognizing this wonderful and unique ability, why not extend the knowledge to many? With the magnificent benefits that Blind Chess provides, individual profit is immense, resulting in the only logical name for the book, Blind Chess. Blind Chess has nothing to do with being blind. It only means not using or seeing the board and pieces to play the entire game. The game is captured and literally unfolds in your mind simultaneously with your opponents along with others aboard. Contact my website to facilitate and arrange a blind chess seminar to enlighten your staff, organization or group.
